

THATCHER NEWS

L. R. Pace and wife left for Phoenix Wednesday morning, where Mr. Pace went to look after the Graham county exhibit.

The Stake M. I. A. officers are doing everything in their power to make their convention, which is to be held on the 25th and 26th, in conjunction with the general conference, a great success. Ward officers please remember the 9:00 o'clock session Sunday morning.

A great many Thatcher people are making preparations to attend the State fair.

The Thatcher Sunday School is preparing to put on a play in the near future.

The Thatcher Brass Band is going to erect a band stand in the near future. They have been making every effort to get means for their band stand and for this purpose, will give a dance Friday evening. The band boys will play basket ball with the Academy team in the early evening which will no doubt be a drawing card to the dance. The work and development of the band boys are very commendable and should receive encouragement.

Thatcher sent the largest shipment of produce to the State fair that has ever gone from the town. If other parts of Graham county has done as well, our county exhibit will be hard to beat. Mr. Ballantyne has spared neither time nor pains in collecting and sending this exhibit.
